The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 5. Applicant's reply has overcome the following rejection(s): the rejection over Cummings and the double patenting rejection with 10/363,546.

Continuation of 11. does NOT place the application in condition for allowance because: the obviousness double patenting rejections with applications 10/759,071 and 10/806,292 are still deemed proper and maintained as they each claim abrupt expansion of the sterilant mixture which would be within the timeframe as now claimed.
